

YOU CHOOSE IT. WE'LL CLEAN IT.

How MilliCare Complies with Carpet Manufacturer's Maintenance Recommendations

facts:

Mohawk Recommendations

Recommended Service Providers: CRI Seal of Approval Products & Service Providers (source: CRI website)

Effective Interim Cleaning:

- Pile lifting and vacuuming
 - Wet or dry spot cleaning
 - Low moisture cleaning or hot water extraction in high traffic areas
- (source: Mohawk Commercial Carpet Maintenance guide)

Restorative Deep Cleaning: The Mohawk Group recommends hot water extraction as the most effective method to give restorative deep cleaning results. (source: Mohawk Commercial Carpet Maintenance guide)

Equipment: Dual Motor Upright Vacuum with a beater bar or double row of brushes.... The Mohawk Group recommends CRI equipment that has been approved for this application. (source: Mohawk Commercial Carpet Maintenance guide)

pH Levels: Use only detergents that have a pH factor below 10 and contain low levels of volatile organic compounds (VOCs). (source: Mohawk Commercial Carpet Maintenance guide)

Environmental: Improving air quality by keeping carpets clean

MilliCare

- ✓ All MilliCare providers are approved by the CRI Seal of Approval program.
- ✓ MilliCare is a complete interim cleaning program using vacuuming, dry spot cleaning and low moisture technology. (see below)
- ✓ MilliCare provides hot water extraction using Windsor equipment, if needed. Our experience shows that in most cases the MilliCare system is the only deep cleaning necessary.*
- ✓ MilliCare uses Windsor Versamatic dual motor upright vacuum with Silver level CRI Seal of Approval Rating.
- ✓ MilliCare's pH level is 8.0.
- ✓ When used in conjunction with an effective HVAC system, MilliCare removes up to 99% of pollutants and harmful VOCs.

In addition, MilliCare dry carpet cleaning process provides the following benefits:

- MilliCare can help contribute on a number of LEED EBOM certification categories: Water Efficiency, Energy and Atmosphere, Materials and Resources, and Indoor Environmental Quality
- Reduces the use of water and electricity in your facility
- MilliCare uses Green Seal certified products
- MilliCare meets or exceeds all Carpet & Rug Institute (CRI) standards
- MilliCare products are WoolSafe approved
- MilliCare can also provide a wide range of entry protection systems
